Author Guidelines

Original papers are invited from researchers based on their research done on the themes of Engineering and Technology Advancement, Science, Policy and Society, Entrepreneurship and health care and thrust areas.

Following are the instructions to be followed by authors.

1. The research Paper should not exceed 6 pages in the length.
2. Maximum 4 Authors are permitted for a research paper. **One of the author must be a woman.**
3. Authors are advised to follow ethical norms regarding plagiarism and self-plagiarism thoroughly before submitting and must make sure that their submissions do not substantially overlap work which has been published elsewhere or simultaneously submitted to a journal or another conference with proceedings.
4. Upon submission each research paper will undergo Plagiarism check through Turnitin software. Each research article having less than 20% plagiarism will be assigned to reviewers. Research articles having Plagiarism more than 30% are prone to direct rejection. Plagiarism within 20-30 % will be required to be resubmitted upon notification.
