3ʳᵈ International Conference

on

"Women in Science & Technology: Creating Sustainable Career"

28 -30 December, 2023

Author Guidelines

Original research papers are invited from academicians, research engineers, scientists and research scholars in any domains from thrust areas.

Following are the instructions to be followed by authors.

1. The research Paper should not exceed 6 pages in the length.

2. Maximum 5 Authors are permitted for a research paper. One author must be a female.

3. Authors are advised to follow ethical norms regarding plagiarism and self-plagiarism thoroughly before submitting and must make sure that their submissions do not substantially overlap work which has been published elsewhere or simultaneously submitted to a journal or another conference with proceedings.

4. Upon submission each research paper will undergo Plagiarism check. Each research article having less than 20% plagiarism will be assigned to two reviewers. Research article having Plagiarism more than 30% are prone to direct rejection. Plagiarism within 15-30 % will be required to be resubmitted upon notification.

5. Please send full text paper in a file format doc or docx (Paper Template and Author guidelines are available on conference Website) through Microsoft CMT account
