## E-Governance policy of the Institution

The E-governance system of Birla Vishvakarma Mahavidyalaya, V. V. Nagar is implemented with a view of establishing an efficient and user friendly e-governance system. Broadly the E-governance system takes care of admission, registration, examination and result preparation, training, account, time-table, student counselling.

Objectives:
- Global visibility of the institute
- Ensure efficacy in information flow among students, staff and faculty
- Promoting transparency and accountability
- Paperless administration
- Easy access and securement of data

Policy:
- An efficient and easily accessible e-governance system is the order of the day and Birla Vishvakarma Mahavidyalaya envisages to have an Enterprise resource planning (ERP) system for fulfilling all requirements of the students, staff and faculty.
- The said ERP need to be developed in-house

Area of Implementation:
- Admission
- Registration
- Academics
- Examinations
- Library
- Payment Systems
- Training
- Student counselling
- Time-table
