The respective Board of Studies shall decide the list of the courses in which end semester practical evaluation is feasible. In such courses evaluation shall be based on practical as well as viva for 40 % marks of end semester tutorial/practical. If practical performance is not feasible then 40 % of marks as end semester tutorial/practical evaluation will be based only on viva.

- PT.19.11.4 The overall performance of a student in a course is assessed on the principle of “single head of passing”, i.e., there will be a single grade for a course based upon the aggregate of marks obtained by the student in theory and tutorial/practical components in continuous assessment as well as end semester examination. However, a maximum 25 % relaxation in attendance is permissible with prior intimation along with required documents from concerned authorities. The relaxation includes medical, co-curricular and extra-curricular activities, genuine social engagements etc.

- PT.19.12.3 The institute will conduct two continuous assessment of theory (mid semester examination) in a semester for each course for the evaluation of 30 % of total theory marks. The average marks of two mid semester examinations shall be considered as the final marks for mid semester examination.

A student who remains absent in any of the two mid semester examination for whatsoever reason(s) shall be awarded with zero marks in the respective mid semester examination.

However, if a student remains absent due to any of the following genuine reasons, for such students a special examination may be conducted by the department and marks obtained in the special examination will be considered as marks of the mid semester examination in which he/she has remained absent. Such student should obtain prior approval from the Principal.

- a) A student is critically ill or injured and certified by Civil Surgeon.
- b) Death of direct blood relation relative.
- c) A student representing Gujarat state in national level events and/or India in International events organized by official boards.

$$SPI = \frac{\sum_{i=1}^n g_i c_i}{\sum_{i=1}^n c_i}$$

where, g_i is the equivalent grade point of i^{th} course,

c_i is the credit of the course

n is total number of regular courses registered by the student in a semester

PT.19.16 CUMULATIVE PERFORMANCE INDEX (CPI)

- PT.19.16.1 The cumulative performance of student is expressed in terms of the Cumulative Performance Index (CPI). This index is defined as the weighted average of course grade points obtained by the student for all courses taken since his/her entry to the programme. The weights are defined in same way as in PT.19.15.2.
- PT.19.16.2 If a student repeats a course, only the grade points obtained in the latest attempt are counted towards the Cumulative Performance Index (CPI).
