The Glory of the Nights was Different. Along with these technical events, UDAAN comprised of 4 Splendid Nights followed as:

- **1<sup>st</sup> April : “Shubharambh” - GARBA NIGHT**

The days showed the intellectual skills of the students whereas the night gave them a splendid atmosphere for enjoyment. The different nights of UDAAN 2018 were started by the Garba night “Shubharambh”, A traditional garba night where all the ‘khelaiyas’ danced on the beats of garba. Mr. Manish Patel and team were called for singing and orchestra. Around 1500 students enjoyed by playing garba. A Maha-arti was also organized in such a way that all the students could get the opportunity of aarti by providing them earthen lamps. The “Shubharambh” gave the perfect boost to UDAAN 2018.

- **2<sup>nd</sup> April: “Kurukshetra” - (G. S. v/s L. R.)**

“Kurukshetra” the origin of this word is connected back into the Mahabharata and which in itself means ‘war’, A war between GS and LR, A war of performances including skit, mime, dance and vocals where the students in both the team got a platform to showcase their talent in front of everyone, Overall It gives an opportunity to all the students to come up with creativity and to show them in front of all.

As from the Mahabharata even the kauravas, pandavas and shri Krishna itself jumped into the battle because the leader has to create a path on its own to support his team, similarly here the GS and the LR both jumped into the battle and showcased their dancing skills.

- **3<sup>rd</sup> April : EDM NIGHT (International artists like DUAL VIBES and OLLY ESSE were invited to the arena.)**
