

Work shop on Advances In Production Technology

The poster features several logos at the top: Birla Vishvakarma Mahavidyalaya (celebrating 75 years), BVM Women's Cell, and the Institution of Engineers (India). The main title is "BVM Alumni Association Sponsored Workshop on Advances In Production Technology". The event is scheduled for 9th Oct 2021 from 12 noon to 02 pm on the MS Team platform. The speakers are Ms. Mittal Vaishnav (Assistant Manager at Jyoti CNC Automation LTD) and Ms. Marmika Shinde (Pursuing MS in Advance Manufacturing at Technical University of Chemnitz, Germany). The convener is Prof(Dr) Trupti Desai and Prof Bharat Patel. The co-convener is Prof(Dr) Zankhana Shah. The co-ordinator is Prof. Jigisha Thakkar. The event is organized by the Women Development Cell and IE(I) Mechanical & Production Students' Chapter. An E-Certificate will be provided to participants.

Women Development Cell and IE(I) Mechanical & Production students' Chapter from Birla Vishvakarma Mahavidyalaya managed by CVM, has organized and BVM Alumni Association sponsored a magnificent event 'Advances in Production Technology' by experts Ms. Mittal Vaishnav, Assistant Manager at Jyoti CNC Automation LTD. And Ms. Marmika Shinde, Pursuing MS in Advanced Manufacturing at Technical University of Chemnitz, Germany.

This event has inspired many engineers to think in advance manufacturing technology. More than 50+ students, of various branches has attended the event. The event provided knowledge about advances in production technology and, how to increase the productivity in any field.

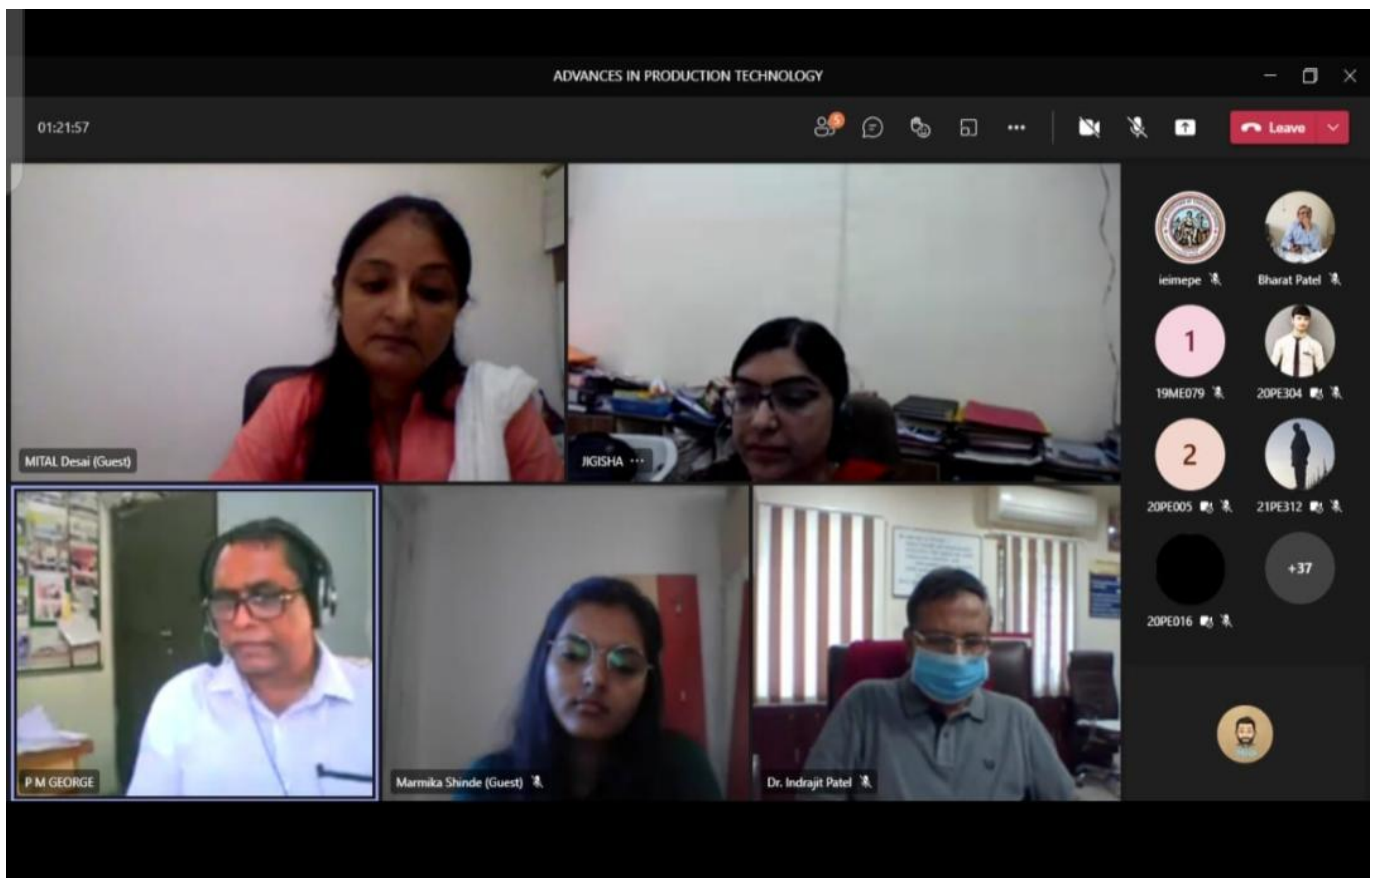

On 9th October 2021, event host Het Panchal has started the event at 12 p.m. with a nice short prayer. Then, Prof. Jigisha Thakkar welcomed our beloved Principal Sir Prof (Dr) Indrajit Patel, Dr. P.M George, Head of ME Department, Prof K D Bhatt I/C Head of PE Department, invited expert, faculty member and student participants Then principal sir inaugurated the event with a motivating and encouraging speech. George sir also shared few examples and inaugurated the event. Principal sir also shared his point of view about advances in production technology. As now a days, in many regions or in many companies the productivity is increasing by using the CNC machines. This session is very useful for the development of students. Then our host Het Panchal welcomed first speaker Ms. Mittal Vaishnav. Then the session was handed over to the expert speaker. Ms. Mittal started his session by thanking the principal sir for briefing the event followed by presentation dealt with stages of production, how an idea can be turned to design the importance of production technologies in companies. She explained the different sensors used by different industries in the vehicles, mentioned the working of the sensors which are increasing the productivity in manufacturing region. Then she also showed some YouTube video related to this advancement. Then Het Panchal welcomed our second speaker Ms. Marmika Shinde. She started her session with thanking the principal and faculty advisor, in his session she mentions the importance needed to be put on advances of production technologies. She shared his views about the increase needed in the production field according to the increase in demand in that field. She also gave many ideas related to increase the productivity by maintaining the quality of that products.

Then at the end of the session, a conclusion with a healthy discussion between experts and students in the form of questions and answer. At the end of the session, Prof. K.B Bhatt sir gave the vote of thanks to the speaker for sharing his valuable knowledge. He also thanked CVM, BVM, principal sir, gathering, fellow participants, and the entire Committee of IE(I) Students' Chapter for organizing such events.

Event outcomes:

- 1) How to convert our ideas to a design.
- 2) Acquainted with the future scope of production technology.
- 3) Technology used in production and manufacturing.
- 4) Basic of production process.
